Paws awhile

Astro's training is coming along well; he'll put his paws up on a bed or chair when asked and knows how to sit himself for the best scratches... especially a good old foot scratch! The smiles on his and our resident's faces are absolutely joyful.

Making the most of our assets

The weather gods have been kind to us and it's been wonderful to get outside for a few BBQ lunches.

We are grateful for the help of Sam and Colin from the assets team, and Jayden our lifestyle team leader, for cooking a delicious lunch.

Lads who lunch

Lunch with Friends is a fortnightly occasion that gives people from all around the home an opportunity to get together with others in a different setting, Lunch

is complete with silver service by Glenda from the activities team.

Early in February we hosted a special men's session. All enjoyed the friendly atmosphere, good company and great conversation.

WINDSOR Summer Dance

At this vibrant and fun event, we enjoyed a selection of drinks including a Pina Colada Mocktail (yummmmmmm). There was live music by Johnny Wright and a stunning ballroom dance display by Cheryl and David - the highlight of the night. Their efforts are greatly appreciated. Ballroom dancing on carpet is NOT easy, plus the added obstacles of an oddly shaped dancefloor with poles here and there... they are absolute superstars!

Year of the Dragon Yum Cha

Our Chinese Lunar New Year celebrations were a bit different this year at Windsor. As we entered the Year of the Dragon, an ill-timed lockdown didn't stop us sharing the delicious yum cha treats provided by Glenview's kitchen. While we were unable to come together as a group, the fabulous activities team delivered the tasty snacks door to door!

Merton balcony upgrade

An upgrade to the balcony at Merton House at Windsor will begin in March.

Higher glass panels will be installed on the front edge of the balcony which is accessed from the dining room facing Main Road. It is expected that the work will be complete within a week, and that inconvenience to residents will be minimal.

The balcony will become a safe and relaxing space for residents and visitors to enjoy sunshine and fresh air.

If you have a question about the work, please leave a message at reception or call 6277 8800 and we'll be in touch.

KORONGEE Summer Dance

Always a super popular night at Korongee - we are never sure who has the most fun... the residents, the guests or the staff!

On this lovely, balmy evening we enjoyed refreshing drinks from the menu that included Pina Colada and Citrus Fizz mocktails.

The live music by Johnny Wright was fantastic and we were treated to a beautiful ballroom dance display by Cheryl and David.

We welcomed a big and energetic crowd, thanks to all who joined the fun!

The Glenview promise

MARCH 2024

DAMIEN JACOBS, CEO

Dear all,

It was great to attend the Glenview information stand at the **TAS Pride festival** and continue to support the community and the celebration of diverse cultural and ethnic backgrounds, religion and sexuality. The team received a positive response from festival attendees who asked questions about our volunteer program, which kept Karen, our volunteer coordinator, on her toes.

Put music to our troubles, as they say, and we'll dance them away! Seeing families and residents dressed up for the **Summer Dance** was beautiful. The turnout was extraordinary, and wow, some of the dance moves were truly impressive.

There are a couple of small projects that commence in March that I'd like to let our community know about:

- The long-anticipated sliding door installation at the **Korongee café entrance** is a result of feedback about improving access. Given the café's popularity, we are excited about this work, which is programmed for Tuesday, March 12. This improvement will make access easier for everyone!
- Another exciting project is the **balcony extension in Merton House** at Windsor Street. There were some unfortunate delays due to the works requiring council approval and then scheduling with our busy builder. Most of the work has been

conducted offsite, which means minimal impact on residents. The installation will require approximately five days. In the meantime, we have a team working on decorating the balcony to make it an inviting and relaxing environment for residents and visitors.

I am proud to announce that our first **Leadership Program** for aspiring Glenview leaders concluded with 14 successful graduates in December. The four-month program was facilitated by Michelle Swallow from Leadership Change Consultants. The program had three main components: Leading Self, Leading Others, and Leading at Glenview. Due to positive feedback from the attendees and our observations on the benefits of the training, we have decided to deliver our next leadership program soon!

You may know that Glenview has a long-standing relationship with the Wicking Dementia Research and Education Centre (UTAS). We are excited to have launched an **Understanding Dementia scholarship** program for Glenview team members. The scholarship will support ongoing education and development to supplement our mandatory and ongoing training program.

Finally, this is just another quick reminder that if you haven't completed our annual **Consumer and Representative survey** (a link was sent by text message), we would love to hear from you.
